HVM Bollards on Trent Side are closed approximately two hours before a scheduled kick-off time and will reopen approximately one hour after the final whistle. We kindly request all vehicles to exit Trentside before the bollards are raised, as they will not be permitted to leave this area until an appropriate time after the final whistle. This measure is in place to ensure the safety of pedestrians attending events at the City Ground, and it is essential to keep the area clear of all vehicles during the scheduled event times.
